

Funding Category	Category Rank	Funding method From other States and user survey	Preferred Method
Dedicated Revenue Source		% of lottery revenue	
		Special vanity license plate	
		Lease out areas to organizations with the proceeds going to support trails and facilities	
		Develop and sell maps to users	
		Establishment of a legacy trust (Forest Lands) where revenues are dedicated to support outdoor recreation	
		Auction off hunting rights to DNR land	
		Open bottle water plant with proceeds going to fund outdoor recreation	
		Offer classes or hold special events with proceeds going to fund recreation	
		Rent, raffle or auction a DNR site for weekend or special event	
		Sell DNR hats, patches, stickers, etc	
		Come up with some sort of "limited use" license tab or plate that would allow dirt bikes to get from trailhead to trailhead utilizing the maintained roads.	
		Selling advertising space on some quality trail maps and then actually having those trail maps available at the recreation sites?	
Tax		Enact the "2007 Expedited Tax Performance Review" which would add about \$7 million to the NOVA account	
		Divert ORV/ATV non-DOT approved tire taxes to be used exclusively for ORV/ATV recreation areas	
		Have a percent of tax on outdoor recreation equipment and services go to NOVA similar to the ORV gas tax.	
		Increase Sin Taxes on:	
		· Lawyers	
		· Sofas, TV (Encourage people to get outside)	
		· Large scale areas	
		· Cigarettes	
		· Alcohol	
		Have a percent of tax revenue from casinos dedicated to outdoor recreation	
		Percent of the property tax dedicated to outdoor recreation similar to Missouri	
		Charge non-green tax on manufactures and users of Styrofoam and other non-biodegradable products	
		Percent of the hotel/motel tax in areas that serve DNR recreation sites.	
		Increase tax rate for Conservation Futures and increase percent that can go to maintenance	
		Revenue through taxation of other revenue generating activities that use the lands in question (logging, mining, etc.)	

Funding Category	Category Rank	Funding method From other States and user survey	Preferred Method
Fee		Become part of the Federal NW Trail Parking Permit system	
		Charge fees to gain access into gated areas	
		Collect fees from commercial guides who use DNR trails and facilities	
		Fee for non-motorized uses similar to the ORV tab fee	
		Collect user fees at popular sites	
		Require users to pay depending on level of impact	
		Add an access fee to timber sales	
		Fees for developers that build in areas that reduce recreational opportunities	
		Registering and purchase of ORV tabs for older dirt bikes that have no title	
		Overnight camping fees	
		Take 10% of fees and invest in endowment for future. Sell lifetime recreation fee pass and invest funds in endowment.	
Sponsor ship		Sell advertising rights at campgrounds and trailheads	
		Allow groups to purchase the naming/sponsorship rights to a trail or trailhead	
		Involvement of private enterprise. Sponsorship by Clubs, ATV dealers, Guides and local retail.	
Misc		Retain a % of the money collected from infractions and invest it back into Education and Enforcement	
		State bond to establish a recreation fund for specific areas	
		Donations from tribes as part of their requirement to donate a percent of their revenue back to the community	
		Increase NOVA %	
		State agencies and private business should use % of their wellness dollars to support trails	
		Assign caretaking of appropriately accessible trails or sections of DNR recreational areas to groups, families, or organizations who would share responsibility for trail maintenance & clean up with DNR (something along the same line as the Adopt-a-highway clean-up programs).	
		Increased enforcement could be paid for by meaningful fines	
		Membership programs- use annual membership fees to keep the areas opened/ maintained.
